PROFILE

I am Mansour Aminorroaya, born in the city of Isfahan, Iran, and I studied Statistics at Isfahan University of Technology. In 2005, I registered an engineering company and worked for 15 years as the chairman of the board with Isfahan Telecommunications Company as a contractor. After that, I moved to Gilan and have been working for 6 years in Gilan Telecommunications as a supervisor for home fiber projects (FTTH).

WORK EXPERIENCE

Telecommunication projects 2005 - PRESENT

- Development and implementation of telecommunications projects that align with the company's goals and objectives. Leading, guiding, and managing a high-performing telecommunications team by creating a collaborative and results-oriented work environment. Supervising performance

Isfahan Telecommunications - Iran 2005- 2020

- Maintenance and supervision of Isfahan telecommunications centers.
- Installation of batteries in Isfahan telecommunication centers.

Gilan Telecommunications - Iran 2020 - 2025

- Supervision of the implementation of fiber optic installation in Gilan centers.
- ONT design and supervision of FTTH project implementation.

EDUCATION

ESFAHAN UNIVERCITY OF TECHNOLOGY 1995 - 2000

Bachelor's degree in Statistics
